AUTHORIZATION TO DEBIT ACCOUNT:

It is believed that no extensions of time or fees are required, beyond those that may otherwise be provided for in documents accompanying this paper. However, in the event that additional extensions of time are necessary to allow consideration of this paper, such extensions are hereby petitioned under 37 C.F.R. § 1.136(a), and any fees required (including fees for net addition of claims) are hereby authorized to be charged to Hewlett-Packard Development Company's deposit account no. 08-2025.

PETITION UNDER 37 C.F.R. § 1.181(a)
TO REQUEST WITHDRAWAL OF HOLDING OF ABANDONMENT

Commissioner for Patents
ATTN: Office of Petitions
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

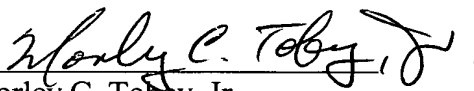

The Notice of Abandonment dated 1 October 2004 stated that the above case was abandoned in view of "Applicant's failure to timely file a proper reply to the Office letter mailed on 26 February 2004". However, a copy of this Office Action was never received by Applicant.

A search of the file jacket and docket records confirms that the Office Action of 26 February 2004 was not received. To establish nonreceipt of this Office action, Applicant has attached hereto an affidavit by Maria Golnick, a Legal Administrator for the Hewlett-Packard Corporate Legal Department, who has responsibility for maintaining a corporate mail log of formal papers received from the Patent and Trademark Office. In this affidavit, Ms. Golnick affirms her belief that the Office Action mailed on 26 February 26, 2004 was not received by Hewlett-Packard. Ms. Golnick further provides a copy of the Hewlett-Packard Legal Department mail log for the Mailed Date Period between 2/23/2004 and 3/15/2004 which log substantiates the fact that this Office Action was never received by Hewlett-Packard. For each entry in this log, the first column contains the date that the communication was received by Hewlett-Packard, the third column contains the attorney docket number (pdno) for the case, and the sixth column contains the date that the communication was mailed by the Patent and Trademark Office as indicated on the communication. Hewlett-Packard's attorney docket number (pdno) for this case is 10005375-1.

According to M.P.E.P. § 711.03(c) "an allegation that an Office action was never received may be considered in a petition to withdraw the holding of abandonment." and "If adequately supported, the Office may grant the petition to withdraw the holding of abandonment and remail the Office action."

As noted above, the Office Action was never received by Applicant. Further, Applicant has provided adequate support to substantiate the fact that this Office Action was not received by Applicant. Therefore, Applicant respectfully petitions for a withdrawal of Examiner's Holding of Abandonment and further petitions for a remailing of the Office Action of 26 February 2004 to the Applicant.

Respectfully submitted,

by 
Morley C. Tobey, Jr.

**MAIL STOP PETITION
COMMISSIONER FOR PATENTS
P. O. BOX 1450
ALEXANDRIA, VA 22313-1450**

SIR OR MADAM:

**DECLARATION OF MARIA GOLNICK IN SUPPORT OF A PETITION TO WITHDRAW
THE HOLDING OF ABANDONMENT BASED ON FAILURE TO RECEIVE THE OFFICE
ACTION**

I, Maria Golnick, who reside at Fort Collins, Colorado, hereby declare as follows:

1. I am currently a Legal Administrator for the Hewlett-Packard Corporate Legal Department. I have held this position since January 2, 2004.
2. My responsibilities include maintaining a corporate mail log of formal papers received from the Patent and Trademark Office addressed to the Hewlett-Packard Company, Intellectual Property Administration.
3. I was trained by another Legal Administrator in charge of maintaining the corporate mail log of formal papers received from the Patent and Trademark Office. I worked with this Legal Administrator for four weeks prior to taking over this responsibility for myself.
4. My procedure for handling formal papers received from the Patent and Trademark Office is as follows:

- (a) Mail received from the Patent and Trademark Office is opened and date stamped to reflect the date received.
 - (b) An electronic copy of the formal papers is sent to the responsible Hewlett-Packard attorney for any correspondence with a required due date of less than 7 days from the date received by Hewlett-Packard Company, Intellectual Property Administration.
 - (c) The formal papers are entered into the electronic mail log to identify each of the formal papers by the type of action, date of mailing from the Patent and Trademark Office, date of receipt by the Hewlett-Packard Company, Intellectual Property Administration, serial number of the patent application, internal docket number, initials of the responsible Hewlett-Packard attorney, and the HP Office where the file is managed.
 - (d) A Mail Log Report is generated and forwarded to the proper office for docketing in the Hewlett-Packard Patent Database. The original formal papers are scanned and uploaded into the Hewlett-Packard image database. The originals are filed and archived for a two-year period in accordance to Hewlett-Packard's Archival policies.
5. A copy of the Hewlett-Packard Legal Department mail log reflecting Mailed, Date Period between 2/23/2004 and 3/15/2004 is attached, labeled Appendix A.
6. If an Office Action was received from the Patent and Trademark Office for patent application serial number 09/899382, Hewlett-Packard attorney's docket number 10005375-1, this Office Action would have been logged in the mail log reflecting the mailed date of 2/26/2004. This Office Action does not appear in the attached mail log shown in Appendix A.
7. It is my belief that the Office Action mailed on 2/26/2004 for patent application serial number 09/899382, Hewlett-Packard attorney's docket number 10005375-1, was not received by Hewlett-Packard Company, Intellectual Property Administration.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

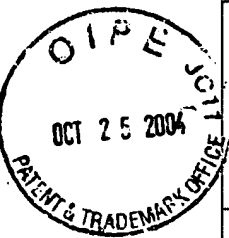

By Maria Golnick
Maria Golnick
Legal Administrator
Hewlett-Packard Legal Department, Intellectual Property Administration
